

INFORMATION

HOURS OF OPERATION
LIFT HOURS: 8:30AM – 4PM, DAILY. Weather and conditions permitting. Subject to change during the season. Check out MammothMountain.com or the Ikon Pass App for current hours.

TRAIL RATING
Please be advised that trail rating symbols are relative to each ski area's specific terrain. A blue square trail at Mammoth could be easier or more difficult than a blue square trail at a different resort. No matter your ability, when skiing/riding for the first time on any mountain, start on the easiest runs and work your way up to familiarize yourself with the area.

Hazards and obstacles may exist throughout the season. Flags, fencing, poles, signage, and padding are used by the ski area to mark known locations of potential obstacles and hazards. These markers do not guarantee your safety and will not protect you from injury. As part of "Your Responsibility Code", it is your duty to avoid all obstacles and hazards, including those that are marked.

ON-HILL WAYFINDING
Look for signs like the examples to the right that are located around the mountain with arrows indicating the easiest route to Main Lodge, Canyon Lodge, The Village Ski Back Trail, or Eagle Lodge.

IN CASE OF EMERGENCY, CALL 760.934.0611
If you do not have a phone, notify a lift operator or any uniformed employee of the nature of the injury, as well as a description and location of the injured person.

SKI PATROL
To report safety issues or emergencies, look for Ski Patrol in the red jackets, any uniformed employee, or call 760.934.0611.

AVALANCHE RESCUE SYSTEM
Ski Patrol utilizes standard 457 kHz avalanche transceivers and the RECCO avalanche rescue system to facilitate rapid location of burials. Neither of these systems prevent avalanches, or guarantee location nor survival. To avoid accidents, become informed of potential hazardous areas, use common sense, and always ride with a buddy on powder days.

HOSTS
For assistance and safety tips, look for Mountain Hosts with the yellow patch on their jackets.
